

**WHAT IS CLAIMED IS:**

- 1 1. A method for updating configuration information in a TAPI system,  
2 comprising:  
3 storing configuration information in a first configuration table object;  
4 requesting update static configuration information from a telephony  
5 device;  
6 receiving said update static configuration information; and  
7 storing said static update configuration information for system use as a  
8 second configuration table object.
- 1 2. A method in accordance with claim 1, further comprising generating a  
2 deleted devices configuration table object and an added devices configuration  
3 table object.
- 1  
2 3. A method in accordance with claim 2, comprising notifying said TAPI  
3 system that each device in said deleted devices configuration table object has  
4 been dynamically deleted
- 1  
2 4. A method in accordance with claim 2, comprising notifying said TAPI  
3 system that each device in said added devices configuration table object  
4 has been dynamically deleted.
- 1  
2 5. A TAPI system, comprising:  
3 means for storing configuration information in a first configuration table object;  
4 means for requesting update static configuration information from a telephony  
5 device;  
6 means for receiving said update static configuration information; and  
7 means for storing said static update configuration information for system use  
8 as a second configuration table object.

1 6. A system in accordance with claim 5, said storing means further comprising  
2 means for generating a deleted devices configuration table object and an added  
3 devices configuration table object.

1 7. A system in accordance with claim 6, further comprising means for  
2 notifying said TAPI system that each device in said deleted devices configuration  
3 table object has been dynamically deleted.

1 8. A system in accordance with claim 6, further comprising means for  
2 notifying said TAPI system that each device in said added devices configuration  
3 table object has been dynamically deleted.

*Add claim 7*
